

# GLASS BONDING IS OUR PASSION

Visit Sika at Glasstec 2018  
October 23-26, Düsseldorf  
Booth A55 / Hall 11

CHECK THE CONGRESS  
**ENGINEERED TRANSPARENCY**  
FOR TWO SIKA PRESENTATIONS

## INVITATION

Dear Sir or Madam,

Sika will presents innovations for bonding, sealing, embedding and reinforcing in Facade, Fenestration & Insulating Glass in **Hall 11, Booth A55**.

Special highlights will be glass bonding under extremes, Sika's structural window bonding, laminar and high-strength glass bonding and furthermore the "trusted bonding program". Additionally, you will have the opportunity to meet our technical experts.

Receive your personal free entry voucher by emailing Calle Ellinger at [ellinger.carl@no.sika.com](mailto:ellinger.carl@no.sika.com).

We look forward to welcome you during 25<sup>th</sup> Glasstec trade show at our booth.

You will find both Calle & Thim at Glasstec during the whole trade show.

Best regards
